

~ **How I'm Voting, June 2018** ~

see [www.AprilsBallot.com](http://www.AprilsBallot.com) for my comments & terrific voter resources  
*please share this widely*

**Governor** - John Chiang ~ (There's validity to strategically voting for Newsom or Villaraigosa to keep Cox off the ballot. No Republican for governor in November means fewer Republicans will vote—an important consideration in down-ballot offices.)

**Lt. Governor** – Jeff Bleich

**Secretary of State** - Alex Padilla

**Controller** - Betty Yee

**Treasurer** - Fiona Ma

**Attorney General** - Dave Jones

**Insurance Commissioner** - Ricardo Lara

**Member State Board of Equalization 3rd District Office 3** - Nancy Pearlman

**US Senator** - Kevin de León

**US Representative 33rd District** - Ted Lieu

**State Senator** - Ben Allen

**Member State Assembly 66th District** - Al Muratsuchi

**Judges:**

**Office 4** - Veronica Saucedo

**Office 16** - Patricia Hunter

**Office 20** - This is a weird race. Though judges should not be judged on the basis of their party, they are (and I am frequently guilty of this.) Segall changed from Republican to Democrat in January. There's more...check out [www.AprilsBallot.com](http://www.AprilsBallot.com) for an article about it.

This is an example of why we shouldn't be voting for judges at all.
